OFFICE OF
the Director of Food Supplies
in Mysore, Bangalore.

No. A1-C.1132/44-45

Encls.

Date 29th December. 1945.

To

The Secretary to Government,
Development Department, Food Supplies,
B A N G A L O R E.

Sir,

Travelling allowance and pay of officers and officials deputed to places outside the State in connection with the procurement of food grains.

I have the honour to invite your reference to correspondence ending with this office letter of even No. dated 15-12-1945, regarding the enhanced scale of travelling allowance proposed for officers and officials deputed to places outside the State and state that it has become almost impossible to induce our men to proceed on deputations owing to the small scale of allowances now in force and the consequent loss they will be put to. The difficulties encountered by officials and officers in their work outside the State are indeed too many to mention, and it is but just that they should be properly remunerated for the hard work they do. I have reviewed my proposals contained in my letter No. 14-3-45 regarding the revision of the scale of travelling allowance, have been thoroughly convinced that even the scale proposed there does not meet the full requirements in these cases. I therefore propose in modification of my proposals to revise the scale of allowances to officers and officials on deputation outside the State as follows:-

	Officials.	Gazetted Officers.
1. Railway fare	Double II class	1½ first class
2. Daily allowance	Up to Rs 10/- a day at the discretion of the Director.	Up to Rs 15/- a day at the discretion of the Director.
3. Conveyance allowance	Actual charges calculated at not more than Rs 6/- per day certified by the official & allowed by the Director of Food Supplies.	Actual charges not exceeding Rs 10/- a day of halt certified by the Officer and allowed by the Director of Food Supplies
4. Deputation allowance	20% of the salary	20% of the salary.
5. Special allowance	~~Up to Rs 750/- per year in each case.~~ Necessary equipment suitable to extreme climatic conditions upto Rs 750/- per year in each case.	

The above rates are the minimum required considering the costliness of the outside places, strenuous and uncongenial conditions under which they work and the status they have to maintain as representatives of the Mysore Government.

2. Further it is found necessary to compensate the loss of conveyance allowance in the case of officers and officials deputed for this purpose, who cannot do away with the conveyance they have maintained just because they are deputed; the loss is considerable being as much as Rs 20/- in the case of Food Inspectors and Rs 50/- or Rs 75/- in the case of officers. I therefore propose that the conveyance allowance, if any, drawn by the Officer or Official during his duty within the State may also be allowed to him during the period

of his deputation in addition to the special conveyance allowance allowed under the proposals made in the previous para.

3. I may add that unless these proposals are sanctioned it will be impossible for me to depute any official or officer to places outside the State for the expeditious movement of quotas from those places. In this connection, it might not be out of place to mention that Government are spending many lakhs of rupees for purchasing food grains outside the State and for subsidising their sales within the State. The amount that it will be required for the grant of the enhanced allowances now recommended by me will be only an infinitesimal proportion to the large sums that Government are spending on this account. At the same time it will keep our men in reasonable comfort and contented. Often times, I find that my Gazetted Officers are not available for deputation outside the State for long periods of time and officials drawing inconsiderable salaries have had to be deputed to distant areas for months together. Many of these young men come from good families and are highly qualified. They have done their work efficiently styling themselves as "Income Representatives" and keeping up a status far above their official posts in the interests of Government work. Several of them have suffered financial losses and privations in distant parts. As deficits urgently called for, as in the coming year, this Department will have a lot of import quotas to move. I therefore request you to kindly obtain orders of Government on my proposals as a special case for the Food Department.

I have the honour to be,

Sir

Your most obedient servant,

DIRECTOR OF FOOD SUPPLIES.
